

Record a Video using Kaltura Express Capture in D2L

This tutorial describes how to create a simple video right within D2L. **Kaltura Express Capture** allows you to create videos using your webcam. **Kaltura Capture Express** recordings are saved in your **My Media** space in D2L.

Step-by-Step instructions

1. Go to your course in D2L.
2. Go to **My Media** in the course navigation bar.

3. Click **Add New** and select **Express Capture**.

4. You will see your webcam video appear with a red round record button at the bottom centre.
5. Click the **Settings** icon at the top right of the video to change your camera and/or microphone settings.
6. Click the record button to begin recording your video.
