

# Submitting MyMedia Videos to D2L Assignment Submission Folders – A Student Kaltura Tutorial

This tutorial describes how to embed a video (*that you have already uploaded into your* **My Media** space) into a submission within the D2L Assignments tool. For further information or assistance, go to our <u>Team</u> <u>Dynamix Support portal</u> and click the appropriate Category to submit a ticket.

### Steps

- 1. Go to your D2L course, and then to the Assignments tool (it also may be called Dropbox).
- 2. Click on the title of the Assignment you want to add your video to.

# Review Assignment Submission

## Things to Remember

You need to have added videos to your My Media space first in order to embed them into an Assignment. You can also add MyMedia videos into a Discussion post in the same way (using Insert Stuff).
