This tutorial is for students who want to check their grades in D2L. For further information, please contact elarning@camosun.ca for assistance.

Scenario

This tutorial will cover the steps involved with viewing grades in the Grades tool in D2L. Note that not all instructors use the Grades tool in D2L, so make sure to ask your instructor if she or he is using it for your course.

Steps

1. Go to your course in D2L.
2. Go to the **Grades** tool (through the Tools drop-down menu in the navigation bar).

- You will now see your Gradebook for the course with all the grades your instructor has added for you. Note that you will not see the Final Grade unless/until your instructor releases it.
