

Copying a Kaltura Video Quiz in D2L – Kaltura Tutorial

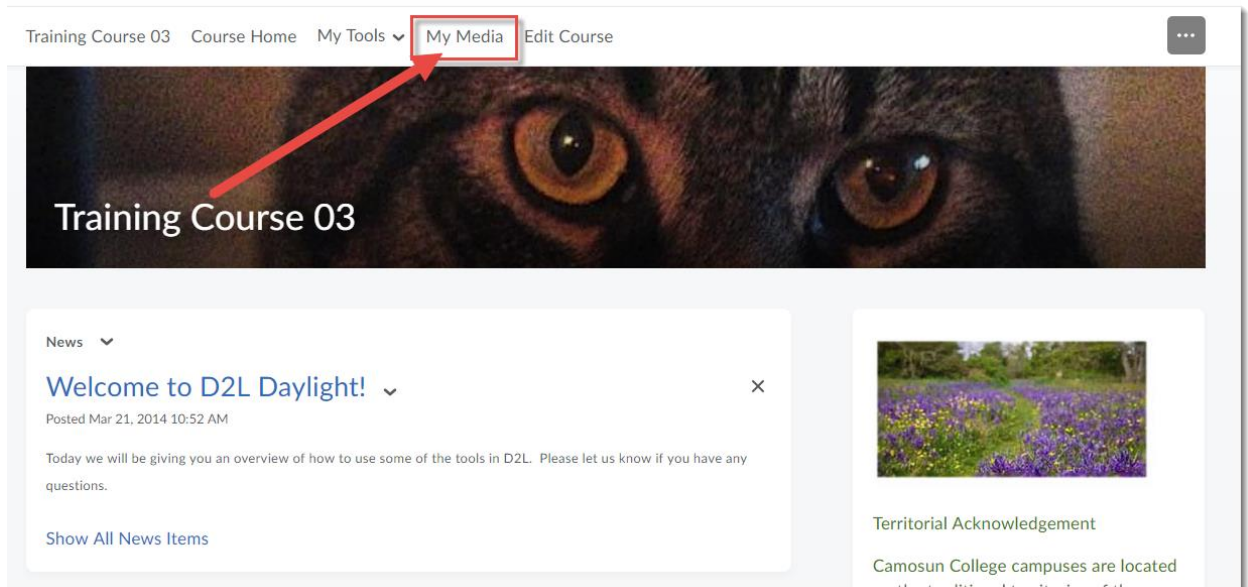

This tutorial is designed for faculty who have previous experience using D2L, and who have created a Video Quiz through **My Media** in D2L. For further information, please contact elearning@camosun.ca for assistance.

Scenario

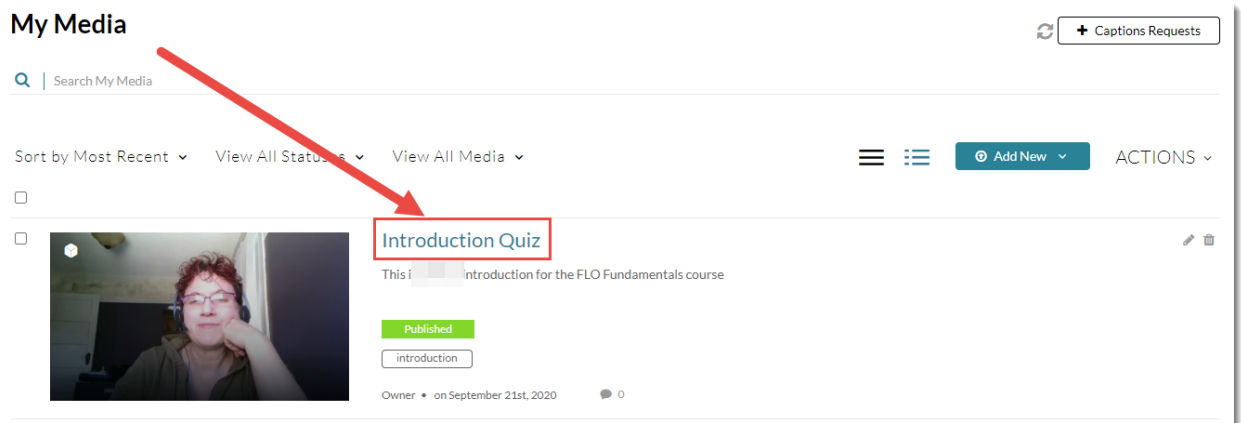

This tutorial will cover the steps involved when you wish to make a copy of a Video Quiz you have already created.

Steps

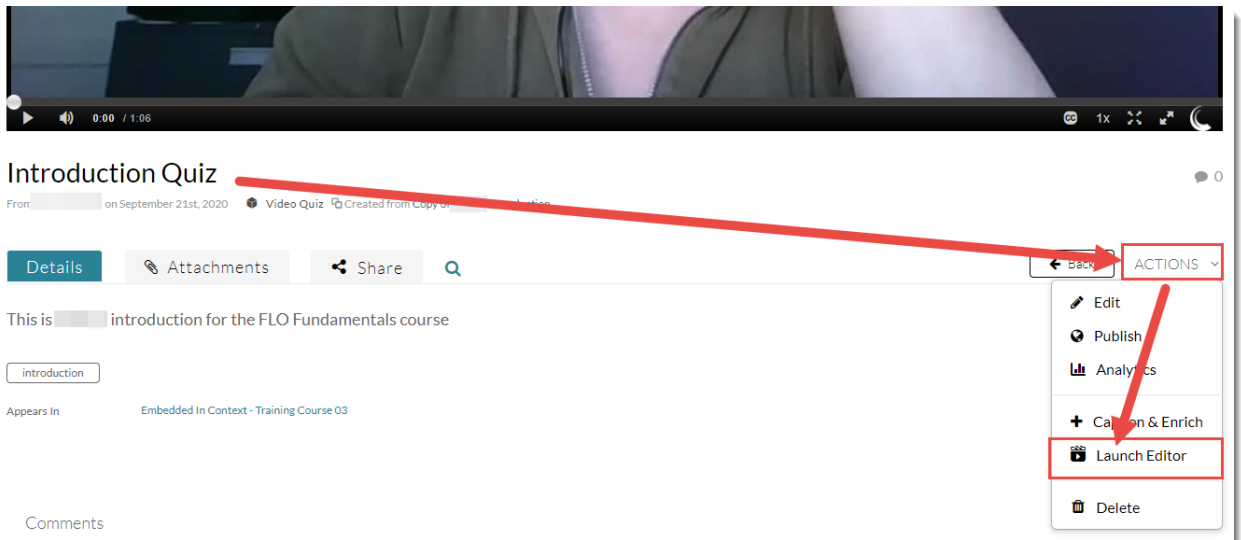

1. Go to your course in D2L.
2. Go to **My Media**.

- Find the Video Quiz you want to copy, and click on its title.

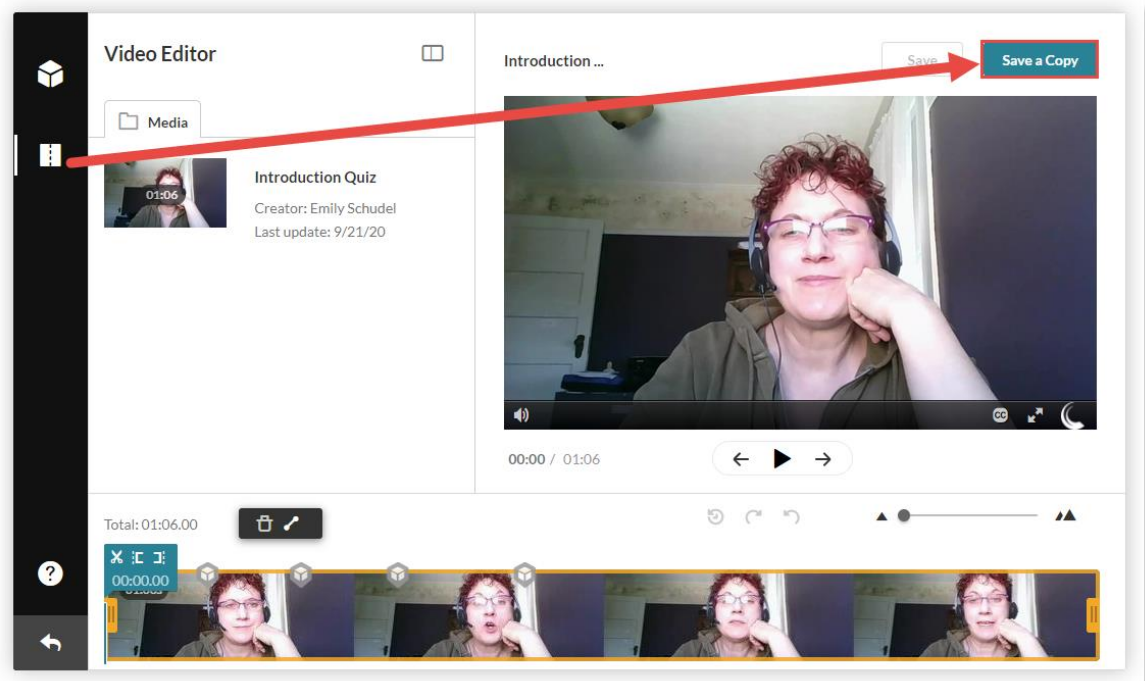

- Scroll down, click **Actions** and select **Launch Editor**.

5. Click the Video Editor icon on the top left (under the Quiz icon).

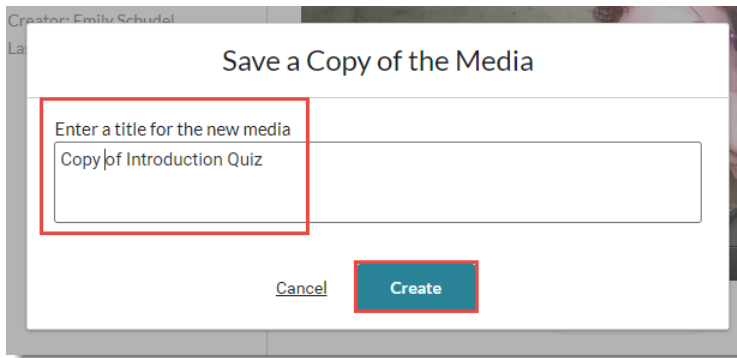

6. Click **OK** in the Warning box if one pops up, then click **Save a Copy**.

7. Give your copy a title and click **Create**.

8. You can go directly to the Copy, go back to the list of media in My Media, or click **OK** to go back to the Quiz Editor area.

9. When you go back to **My Media**, you will see the Video Quiz copy you just made in the listing.

Things to Remember

Creating a copy of a Video Quiz enables you to create different versions of a quiz using the same video, and also gives you a backup if you are going to edit a long Video Quiz and don't want to lose the original.
