

Viewing Quiz Attempts – a Student Tutorial

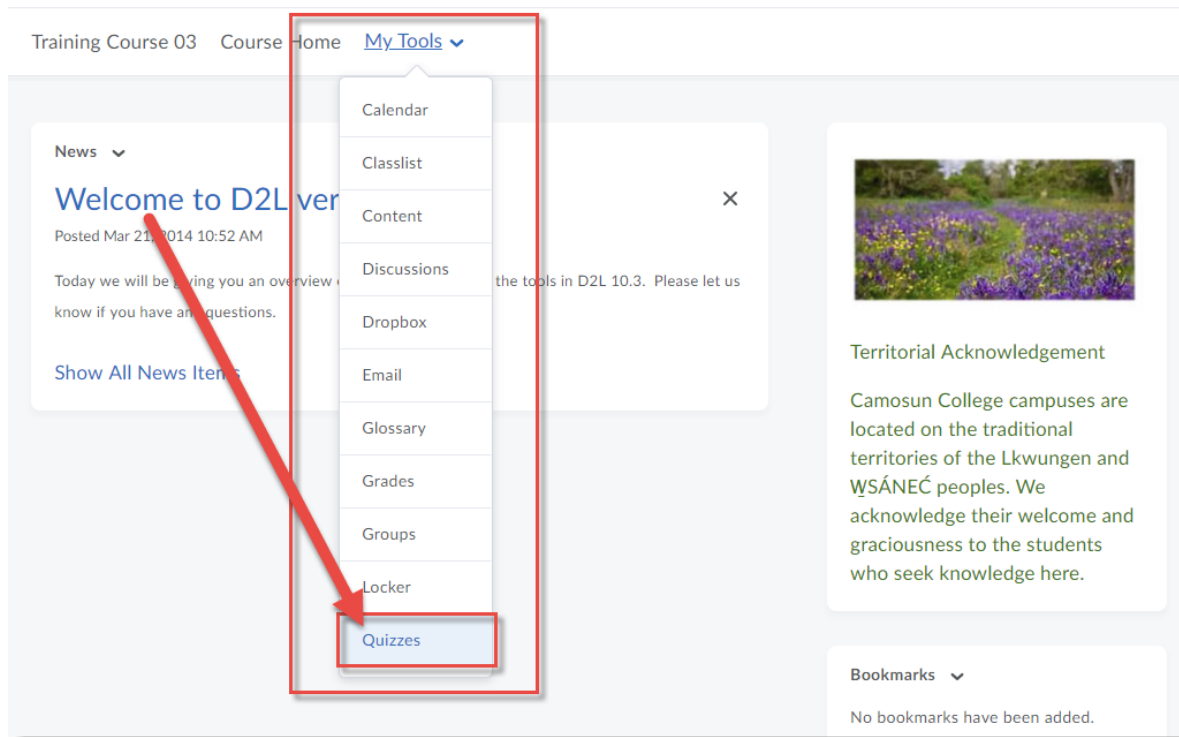

This tutorial is for students who have completed a quiz and want to go back to view at the results of that quiz. For further information, please contact elearning@camosun.ca for assistance.

Scenario

This tutorial will cover the steps involved viewing quiz attempt results in D2L. **NOTE** that you will only be able to review quiz results if your instructor has released them!

Steps

1. Go to your course in D2L.
2. Go to the **Quizzes** tool (through the Tools drop-down menu in the navigation bar) or click on the title of the quiz in the Content area (if your instructor has put a link in Content).

- Click on the down-arrow next to the title of the completed quiz you want to view, and select **Submissions**.
