

Submitting to the Assignment tool in D2L – D2L Tutorial

This tutorial is for students who have been asked by their instructor to submit assignment files to the **Assignments** tool in D2L. For further information or assistance, go to our [Team Dynamix Support portal](#) and click the appropriate Category to submit a ticket.

Scenario

This tutorial will cover the steps involved with submitting an assignment file (for example, a WORD document or an EXCEL spreadsheet) to the Assignments tool. To submit a video assignment, see the tutorial *Adding a Kaltura Video to an Assignment* on the [Kaltura for Students](#) tutorial website.

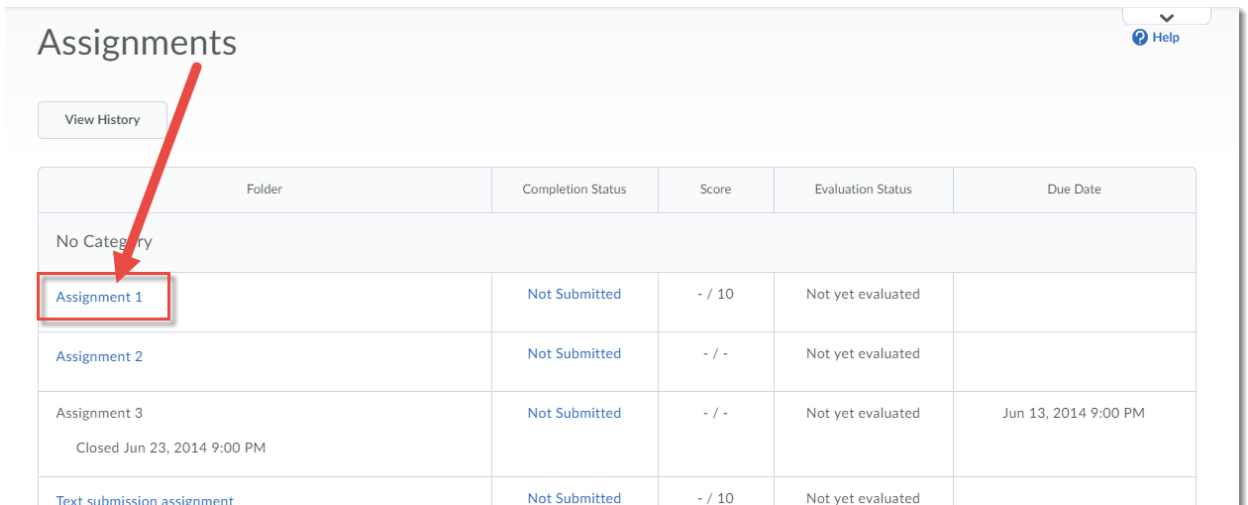

Steps

1. Go to Camosun.ca, and log into D2L. Then go to your course site.
2. Click on the Tools drop-down menu for your course, and select **Assignments**. Note that you might also find **Assignments** on the navigation bar of your course if your instructor has placed it there.

The screenshot shows the D2L course interface for 'Training Course 03'. At the top, there is a navigation bar with 'Training Course 03', 'Course Home', 'My Tools', 'My Media', and 'Course Media'. The 'My Tools' dropdown menu is open, showing a list of tools: Calendar, Classlist, Content, Discussions, Assignments (highlighted with a red box and a red arrow), Email, Glossary, Grades, Locker, Quizzes, ePortfolio, and Chat. Below the navigation bar, there is a banner image of a bear's face. To the left, there is a 'News' section with a 'Welcome to D2L' announcement. To the right, there is a 'Territorial Acknowledgement' section with a photo of a field of purple flowers.

3. Click on the name of the **Assignments** folder you wish to submit an assignment file to.
