

Viewing Assignment Feedback – a Student Tutorial

This tutorial is for students who want to look at the feedback on their assignments submitted in the Assignments tool. For further information or assistance, go to our [Team Dynamix Support portal](#) and click the appropriate Category to submit a ticket.

Scenario

This tutorial will cover the steps involved viewing feedback in the Assignments tool in D2L. **NOTE** that you will only be able to view Assignment feedback after your instructor has released it!

Steps

1. Go to your course in D2L.
2. Go to the **Assignments** tool (through the Tools drop-down menu in the navigation bar). Note that you can also set your **Notifications** to receive notifications for assignment feedback to your email address.

The screenshot shows the D2L course interface for 'Training Course 03'. The navigation bar includes 'Training Course 03', 'Course Home', 'My Tools', 'My Media', and 'Course Media'. The 'My Tools' dropdown menu is open, showing options: Calendar, Classlist, Content, Discussions, Assignments (highlighted with a red box and a red arrow), Email, Glossary, Grades, Locker, Quizzes, ePortfolio, and Chat. A 'News' widget on the left displays a 'Welcome to D2L' message. A 'Territorial Acknowledgement' widget on the right features a photo of purple flowers and text about Camosun College's location on traditional territories.

- Click the **Feedback** link (in the Evaluation Status column) for the assignment you wish to review feedback for.
