

## Changing the Banner Image on your Course Homepage – D2L Tutorial

This tutorial is designed for faculty who have experience using D2L. For further information or assistance, go to our [Team Dynamix Support portal](#) and click the appropriate Category to submit a ticket.

### Scenario

This tutorial will cover the steps involved when you wish change the banner image to your D2L course homepage.

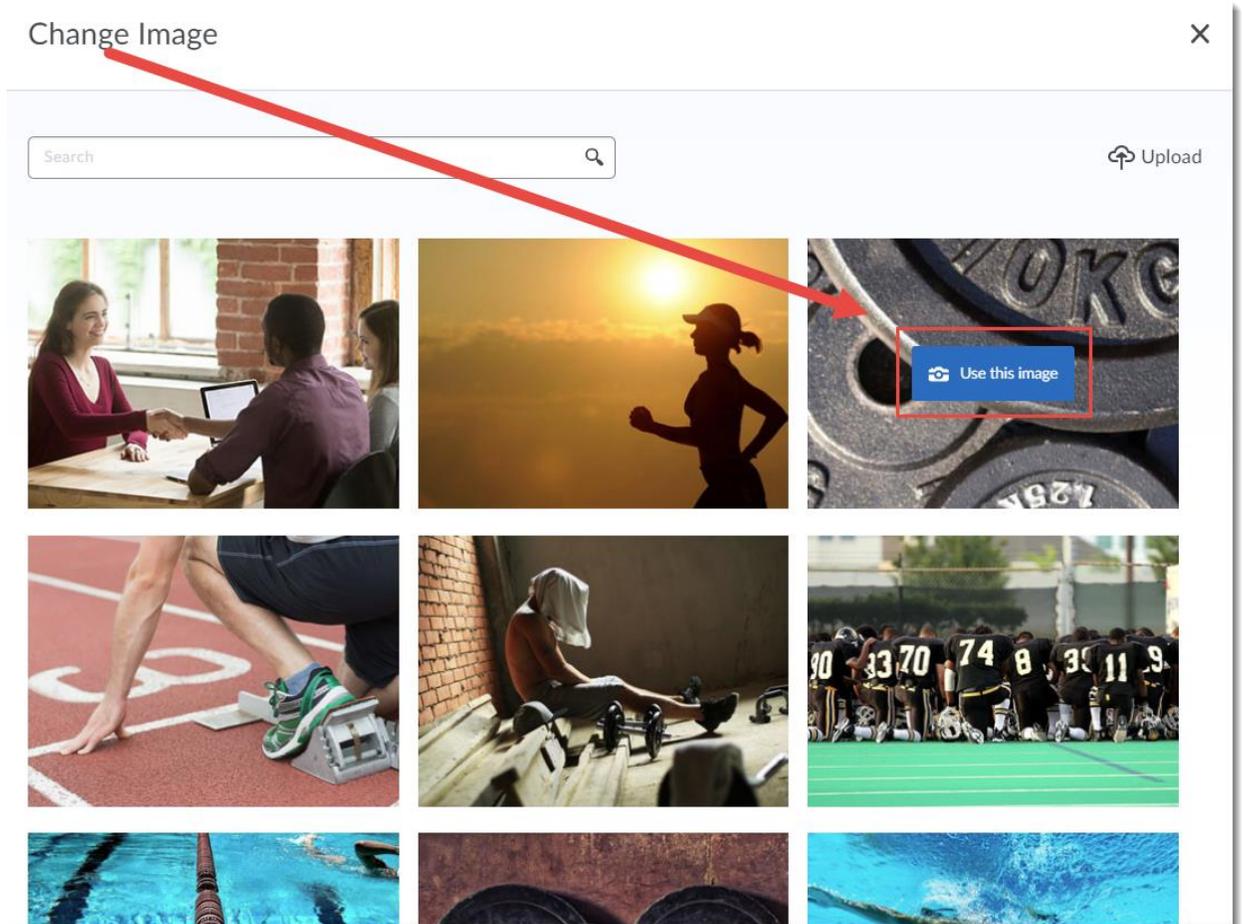

### Steps

1. Go to your course in D2L.
2. Put your mouse over the existing banner image, and click the three dots on the right side. Select **Change Image**.

The screenshot displays the D2L course homepage for 'Training Course 03'. The top navigation bar includes links for 'Training Course 03', 'Course Home', 'My Tools', 'Collaborate', 'Course Media', 'My Media', 'Edit Course', and 'ePortfolio'. The main banner image shows a close-up of a metal weight with the text 'Training Course 03' overlaid. A red arrow points to a three-dot menu icon in the top right corner of the banner. A dropdown menu is open, showing three options: 'Change Image', 'Customize Banner Text', and 'Remove This Banner'. Below the banner, there are sections for 'News' (with a message 'There is no news to display. Create a news item.'), 'Library Resources' (listing 'Camosun College Library', 'Research Guides', and 'AskAway'), and 'Territorial Acknowledgement' (with a photo of purple flowers and text about Camosun College's location). A 'Bookmarks' section is partially visible at the bottom right.

3. Search for an image or click Upload to upload one from your computer (see the tutorial *Adding a Banner Image to your Homepage* for more information). When you find the image you want, hover your mouse over it and click **Use this Image**. The new banner image will appear on your Homepage as well as in the My Courses widget on the main Camosun D2L homepage.

### Things to Remember

Note that not all images will look good as a Banner. If you are uploading an image from your computer, you may first need to edit and resize it to make sure it looks right.
