

Creating Multi-Select (M-S) Questions in D2L – D2L Tutorial

This tutorial is for faculty who have previous experience using the Quizzes tool and Question Library in D2L. For further information or assistance, go to our [Team Dynamix Support portal](#) and click the appropriate Category to submit a ticket.

Scenario

This tutorial will describe how to create a **Multi-Select (M-S)** question for use in the Quizzes tool in D2L.

Steps

1. Go to the **Quizzes** tool in your course, then click **Question Library**.

6. Use the Options menu to **Add Feedback**, **Add Hint**, **Add Short Description**, or **Add Enumeration**. *We recommend adding enumeration for accessibility purposes!*

The screenshot shows a question editor interface. At the top left, there is a link "Back to Question Library". Below it, a dropdown menu is set to "Multi-Select". The question text is "Which are past tense verbs?". The answers section lists "watched", "ran", "make", and "do". A red arrow points to the "Options" dropdown menu, which is open and shows options: "Add Feedback", "Add Hint", "Add Short Description", and "Remove Enumeration" (which is selected with a checkmark).

7. When you have finished creating your Fill in the Blanks question, click **Save**.

The screenshot shows the same question editor interface. The question text is "Which are past tense verbs?". The answers section lists "watched", "ran", "make", and "do". The "Add Answer" section has "Randomize answer order" checked. The "Enumeration" dropdown is set to "a, b, c, d, e, f, ...". The "Default Points" is set to "1". The "How are points assigned to blanks?" dropdown is set to "Correct Answers, Limited Selections (0.5 pts per correct answer)". A red arrow points to the "Save" button at the bottom left.

8. Click **Back to Question Library**.
