

Adding Zoom to D2L Navbar

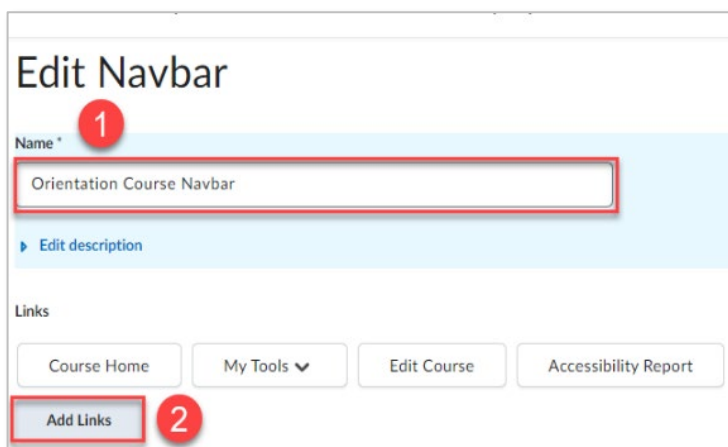

This tutorial describes how to add a link to Zoom on the Navbar in your D2L course. For further information or assistance, please visit our [Team Dynamix Support portal](#) and select the appropriate Category to submit a ticket.

Steps

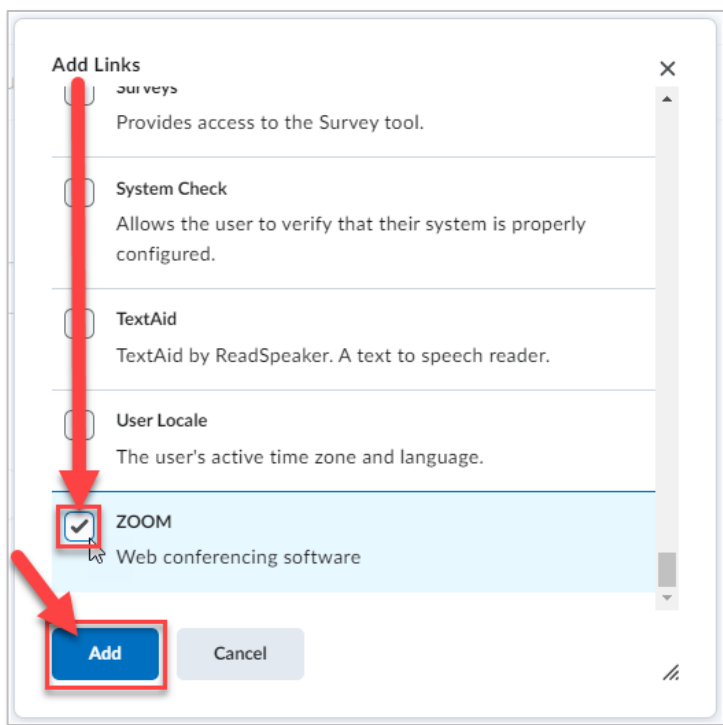

1. Go to your D2L course.
2. Hover your mouse over the navigation bar (Navbar) and select on the three dots that appear on the right side. Select **Customize this Navbar**. (Note: If you have already customized your Navbar, you will select **Edit this Navbar**).

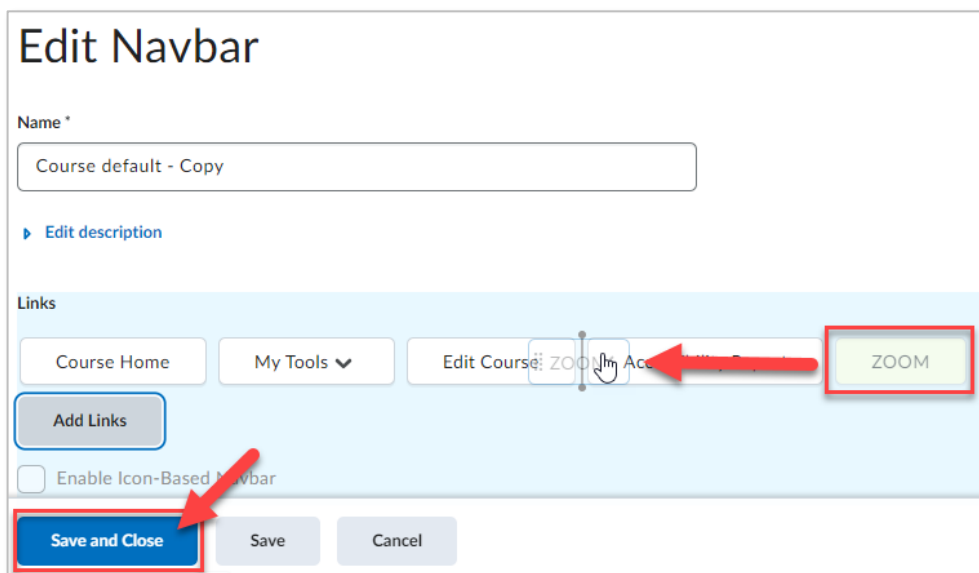

3. In the Create a Copy pop-up window, select **Yes! I'll work with a copy of the navbar**.
4. Change the **Name** of your Navbar if you like, then in the Links area, select the **Add Links** button.

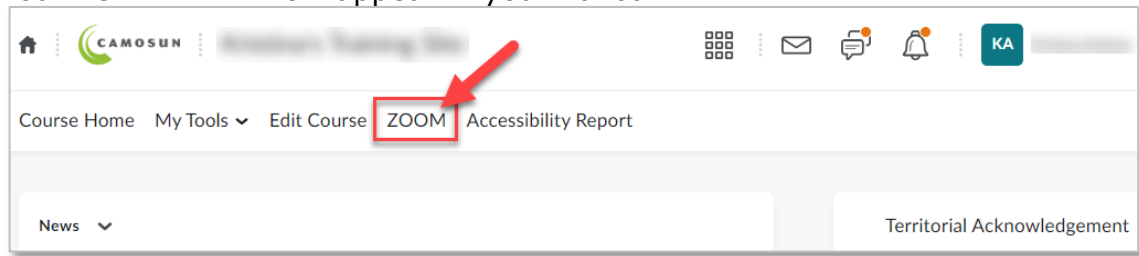

5. In the **Add Links** box, scroll down and select Zoom, then select the **Add** button.

6. Move the new navbar link as needed (select and hold the new link and drag the link to a new position), then select the **Save and Close** button.

7. Your new link will now appear in your navbar.

Things to Remember

- To create Zoom meetings within your D2L course, including an individual meeting or recurring meetings, see the tutorial **Creating Zoom Meetings in D2L**.
